Dear all!

As the event of Inline WC 2021 in Vuzenica is getting closer and closer we are sending you the options for sleeping. As we need to follow the Covid regulations, we are trying to place the visitors from each country in different hotel/hostel in order to keep you all as safe as possible. This way your country will be in a "bubble" at all time of the competition - sleeping arrangement and separate space on the site of the event.

We would recommend you the hotel below.

We would kindly ask you **to send us** the reservation in total for all competitors and the people accompanying them to us. We will be able to accommodate you as described **by 15.4.2021**. After that date we cannot guarantee how the situation in hotels will be.

If you would have other suggestions for other accommodation or any questions please feel free to contact me:
